TEOH YI JIE

Junior Software Developer

Career Objective

A motivated and enthusiastic Computer Science graduate seeking a Junior Software Developer position where I can apply my programming knowledge, problem-solving skills, and passion for technology to contribute to organisational success while gaining professional experience in software development.

Activities and Achievements

Faculty Parking Lot Improvement Program
- Participated in volunteer activities of PPD1041 course that was held at parking lot of Faculty of Computer Science and Information Technology on 18 December 2022.
- Repainted parking slots and improved the parking area within the faculty compound.
- Contributed to creating a more organised and visually improved environment for students and staff.
- Collaborated faculty members to complete the activity efficiently and safely.

Program Komuniti Anjuran Bersama UNIMAS dan Pejabat Daerah Lubok Antu, Sri Aman
- Participated in a community service programme that was held at Stadium Lubok Antu on 14 June 2023.
- Assisted course mates in diagnosing and resolving laptop-related issues for local residents
- Helped to organise computer-related quiz activities for school children to promote technology awareness and engagement.
- Applied technical and teamwork skills to contribute positively to the local community.
